# Executive Order.

Whereas, by the act entitled "An Act to regulate the immigration of aliens into the United States," approved February 20, 1907, whenever the President is satisfied that passports issued by any foreign government to its citizens to go to any country other than the United States or to any insular possession of the United States or to the Canal Zone, are being used for the purpose of enabling the holders to come to the continental territory of the United States to the detriment of labor conditions therein, it is made the duty of the President to refuse to permit such citizens of the country issuing such passports to enter the continental territory of the United States from such country or from such insular possession or from the Canal Zone;

And Whereas, upon sufficient evidence produced before me by the Department of Commerce and Labor, I am satisfied that passports issued by certain foreign governments to their citizens or subjects who are laborers, skilled or unskilled, to proceed to countries or places other than the continental territory of the United States, are being used for the purpose of enabling the holders thereof to come to the continental territory of the United States to the detriment of labor conditions therein;

I hereby order that such alien laborers, skilled or unskilled, be refused permission to enter the continental territory of the United States.

It is further ordered that the Secretary of Commerce and Labor be, and he hereby is, directed to take, through the Bureau of Immigration and Naturalization, such measures and to make and enforce such rules and regulations as may be necessary to carry this order into effect.
