Executive Order

BLACK HILLS-SUNDANCE NATIONAL FORESTS

SOUTH DAKOTA—WYOMING

Under authority of the Act of Congress of June 4, 1897 (30 Stat., 11), and upon recommendation of the Secretary of Agriculture, it is hereby ordered that on and after July 1, 1915, all the lands included within the boundaries of the Sundance National Forest, Wyoming, as fixed and defined by proclamation of December 16, 1910 (No. 1110), be transferred to and administered as a part of the Black Hills National Forest, South Dakota.

It is intended by this Executive Order, for economy of administration, to merge into one National Forest, thereafter to be known as the Black Hills National Forest, all the lands which on July 1, 1915, are within the Sundance and the Black Hills National Forests, and the boundaries of the Black Hills National Forest as they exist at that date are hereby modified accordingly.

This Executive Order is not intended to add to the Black Hills National Forest any lands which on July 1, 1915, are not embraced within the Sundance National Forest, nor to release from reservation for National Forest purposes any lands at that date within the Sundance National Forest.
