2181

Executive Order.

Mrs. Lucy Jones Harris, of Kentucky, may be appointed to a position in the Immigration Service, Department of Labor, without reference to the civil service rules.

This order is issued in view of the statement of the Secretary of Labor that the Department can use to advantage the services of Mrs. Harris in the Immigration Service, in which the Commissioner-General of Immigration informs him there is urgent need of a woman of Mrs. Harris' peculiar qualifications in the labor distribution branch of the service at New York City, where it is deemed advisable, in the development of this new service, to have a woman of her high character and sympathetic initiative, who is able at once to take care of the requirements of the woman labor problem and greatly assist in carrying out the plan of distribution inaugurated by the Department.

The Civil Service Commission does not recommend the issuance of an order in this case.
