Executive Order

ORDER OF WITHDRAWAL.

With the consent of the Government of the Territory of Hawaii, it is hereby ordered that the following described lands at Waimanalo, District of Koolaupoko, Island of Oahu, Territory of Hawaii, be, and the same are hereby, withdrawn and set aside for military purposes.

I. Waimanalo Military Reservation.

Beginning at a standard concrete monument, herein referred to as monument No. 1, which monument is situated on the summit of the high peak (elevation approximately 580 feet) that marks the Eastern end of a lateral ridge of the Koolau Mountains, the crest of said ridge being the boundary line between the lands of Waimanalo and Kailua; Monument No. 1 is further located by the following azimuths and distances:—

To Territorial Triangulation Station "Mokapu", 171° 03′ 41″, 26953.5 feet.

To Territorial Triangulation Station "Kailua", 93° 19′ 38″, 18863.9 feet.

From said Monument No. 1 the boundary runs as follows:—

In a Southeasterly direction along the crest of a spur of the above described lateral ridge (the crest of said spur being the boundary line between the lands of Waimanalo and Kailua) to a standard concrete monument No. 2, situated on Wailea Point and being approximately 10 feet above the highwater mark, the direct azimuth and distance from monument No. 1 to monument No. 2 being 274° 39′ 02″, 4697.80 feet; from said monument No. 2

274° 39′ 02″ approximately 34 feet along the land of Kailua to the highwater mark; thence

In a general Southerly direction, along the highwater mark, to a standard concrete monument, No. 3, the direct azimuth and distance from monument No. 2 being 351° 54′ 15″, 14036.40 feet; from said monument No. 3

77° 51′ 58″, 267.90 feet to a standard concrete monument, No. 4; thence
77° 52′ 03″, 1360.10 feet to a standard concrete monument, No. 5; thence
130° 25′ 18″, 2554.50 feet to a standard concrete monument, No. 6; thence
118° 06′ 42″, 3323.90 feet to a standard concrete monument, No. 7; thence
142° 28′ 34″, 613.30 feet to a standard concrete monument, No. 8; thence
157° 03′ 32″, 338.30 feet to a standard concrete monument, No. 9; thence
189° 55′ 47″, 160.30 feet to a standard concrete monument, No. 10; thence
159° 13′ 47″, 188.90 feet to a standard concrete monument, No. 11; thence
155° 22′ 55″, 381.90 feet to a standard concrete monument, No. 12; thence
183° 14′ 29″, 447.90 feet to a standard concrete monument, No. 13; thence
156° 56′ 07″, 344.10 feet to a standard concrete monument, No. 14; thence
158° 06′ 40″, 780.90 feet to a standard concrete monument, No. 15; thence
136° 04′ 35″, 1967.20 feet to a standard concrete monument, No. 16; situated at the foot of a spur of the lateral ridge of the Koolau Mountains heretofore described; from said monument No. 16
49° 03′ 55″, 348.60 feet to a standard concrete monument, No. 17, situated on the crest of said spur; thence

In a Northwesterly direction along the crest of said spur to a standard concrete monument, No. 18, situated at the intersection of the crest of said spur with the crest of the lateral ridge of the Koolau Mountains, heretofore described, the direct azimuth and distance from monument No. 17 being 116° 14′ 04″, 1599.60 feet (the boundary between Monuments No. 3 to No. 18, both inclusive, follows along the land to Waimanalo); from said monument No. 18

In a general Northeasterly direction along the crest of the said lateral ridge to a standard concrete monument, No. 19, the direct azimuth and distance being 183° 02′ 48″, 1549.90 feet; Monument No. 19 is further located by the following azimuths and distances:—

To Territorial Triangulation Station "Mokapu", 179° 27′ 24″, 31596.70 feet.

To Territorial Triangulation Station "Kailua", 112° 05′ 07″, 16125.10 feet. From said monument No. 19

In a general Northeasterly direction following the crest of the lateral ridge of the Koolau Mountains, heretofore described, to the point of beginning, the direct azimuth and distance being 218° 03′ 18″, 6311.00 feet (the boundary between Monuments No. 18 to the point of beginning, both inclusive, follows the boundary between the lands of Waimanalo and Kailua.)

II. The net area of the above described Waimanalo Military Reservation contains 1510 acres, more or less.

III. All azimuths are true geodetic and except where otherwise specified the boundary extends in straight lines between monuments.

IV. The standard concrete monument consists of concrete in the shape of a truncated pyramid having an upper base 8 inches square and a lower base 12 inches square. In the center of the upper base is set a brass plate 3 inches square.

V. Exceptions and leases.

(a) All tracts of land, described by Land Commission Awards and Royal Patent Grants, Grants and Patents that have been awarded by the Authorities of Hawaii and are contained within the limits of the above described Waimanalo Military Reservation, are excepted from said reservation.

(b) The above described Waimanalo Military Reservation is subject to General Lease No. 165 to John Cummins, which said lease expires November 22, 1920.
