Executive Order

TARGHEE—PALISADE NATIONAL FORESTS

IDAHO AND WYOMING

Under authority of the Act of Congress of June 4, 1897 (30 Stat., 11), and upon recommendation of the Secretary of Agriculture, it is hereby ordered that on and after July 1, 1917, all the lands included within the boundaries of the Palisade National Forest, Idaho and Wyoming, as fixed and defined by proclamation of June 28, 1910, (No. 1053), be transferred to and administered as a part of the Targhee National Forest, Idaho and Wyoming.

It is intended by this Executive Order, for economy of administration, to merge into one National Forest, thereafter to be known as the Targhee National Forest, all the lands which on July 1, 1917, are within the Palisade and the Targhee National Forests, and the boundaries of the Targhee National Forest, as they exist at that date, are hereby modified accordingly.

This Executive Order is not intended to add to the Targhee National Forest any lands which on July 1, 1917, are not embraced within the Palisade National Forest, or to release from reservation for National Forest purposes any lands at that date within the Palisade National Forest.
