2678

Executive Order.

ALASKA RAILROAD NO. 9.

Upon the recommendation of the Secretary of the Interior, and by virtue of authority contained in section 2 of "An Act Limiting the hours of daily service of laborers and mechanics employed upon work done for the United States, or any Territory, or for the District of Columbia, and for other purposes" (37 Stat., 137), approved June 19, 1912, and of the act of Congress approved March 4, 1917 (39 Stat., 1192), I hereby direct that subject to the provisions of the act of Congress last named, relative to computation of wages and of overtime rates to be paid for at not less than time and one-half for all hours of work in excess of eight hours, that the provisions and stipulations of the act of June 19, 1912, *supra*, may be waived so far as they relate to purchase orders placed with the Seattle Car and Foundry Company, by the Alaskan Engineering Commission, as follows: Purchase order No. D-6037, dated March 26th, 1917, calling for six, 34-foot, steel underframe refrigerator cars, in accordance with specifications and descriptions contained under Circular No. 249; Purchase order No. 6140, dated April 3rd, 1917, for four eight wheel caboose cars, Class No. 26, in accordance with specifications and descriptions contained under Circular No. 244; and Purchase order No. 6139, dated April 3rd, 1917, for one eight wheel caboose car, Class No. 26, in accordance with specifications and descriptions contained under Circular No. 244; all as bid upon by the contractor.

WOODROW WILSON

THE WHITE HOUSE,
3 August, 1917.
