2822-A

Executive Order

I hereby create under the direction of the Committee on Public Information, created by executive order of April 14th, 1917, a Service Bureau, for the purpose of establishing a central office in the city of Washington, where complete information records may be available as to the function, location and personnel of all government agencies.

I hereby ask the several departments of Government, when so requested by the Chairman of the Committee on Public Information, to detail such person or persons as may be necessary in gathering the information needed and carrying on the work of the Bureau so far as it relates to such departments; to give opportunity to the director of the Bureau, or such person as he may designate, to secure information from time to time for the purpose of keeping the records up to date; to supply the director of the Bureau on form cards, furnished by him, with information as to personnel, function and location.
