Executive Order

In order to effect the more expeditious performance of contracts for the construction, repair and alteration of vessels, structures, and aids to navigation, and for the obtaining of equipment for the Bureau of Lighthouses, Department of Commerce, the early completion of which contracts in connection with war activities constitutes a National Emergency, and by virtue of the provisions of the Act of Congress approved March 4, 1917 (39 Stat. 1192), entitled "An Act Making Provisions for the Naval Service for the Fiscal Year ending June 30, 1918, and for other purposes," whereby it is provided "that in cases of National Emergency the President is authorized to suspend provisions of law prohibiting more than eight hours labor in any one day of persons engaged upon work covered by contracts with the United States: Provided further, that the wages of persons employed upon such contracts shall be computed on a basic day rate of eight hours work, with overtime rates to be paid for at not less than time and one-half for all hours work in excess of eight hours," I do hereby suspend during the present National Emergency the provisions of law prohibiting more than eight hours of labor in any one day by persons engaged in the performance of work covered by all existing and future contracts of the Bureau of Lighthouses of the character above mentioned. This order will take effect from and after this date.
