It appearing proper and necessary, in the interest of equal opportunity and good administration, that all of the above described lands subject to disposition should be restored to homestead entry in advance of settlement or other forms of disposition, it is hereby ordered, under authority of the Act of September 30, 1913 (38 Stat., 113), that the public lands in the above-described areas, subject to valid rights and the provisions of existing withdrawals, shall be opened to entry only under the provisions of the homestead laws requiring residence at and after, but not before, nine o'clock A. M., standard time, on the sixty-third day after the date of this order, and to settlement and other disposition under any public land law applicable thereto at and after, but not before, nine o'clock A. M., standard time, on the seventieth day after said date. Prospective applicants may, during the period of twenty days preceding the date on which the lands shall become subject to entry, selection or location of the form desired under the provisions of this order, execute their applications in the manner provided by law and present the same, accompanied by the required payments, to the U. S. land office at Montgomery, Alabama, in person, by mail, or otherwise, and all applications so filed, together with such as may be submitted at the hour fixed, shall be treated as though simultaneously filed and shall be disposed of in the manner prescribed by existing regulations. Under such regulations, conflicts of equal rights will be determined by a drawing.

Warning is hereby given that no settlement initiated prior to seven days after the date herein prescribed for homestead entry will be recognized, but all persons who go upon any of the lands to be restored hereunder and perform any act of settlement thereon prior to nine o'clock A. M., standard time, on the seventieth day from and after the date hereof, or who are on or are occupying any part of said lands at such hour, except those having valid subsisting settlement rights initiated prior to withdrawal from settlement and since maintained, will be considered and dealt with as trespassers and will gain no rights whatever under such unlawful settlement or occupancy; *Provided*, however, that nothing herein contained shall prevent persons from going upon and over the lands to examine them with a view to thereafter appropriating them in accordance herewith. Persons having prior settlement rights, as above defined, will be allowed to make entry in accordance with existing law and regulations. Intending entrymen are also warned to ascertain the status of the lands by inquiry of the local land office before making application therefor as the greater portion of the lands herein described are not subject to entry, being included in final and pending entries under the public land laws.
