3339 Temporary

Executive Order.

Mr. F. C. Roberts, who resigned from the position of compositor in the Government Printing Office after many years of service to accept the position of labor commissioner at Porto Rico, and who has occupied several positions of importance since, may be reinstated as a compositor in the Government Printing Office without regard to the fact that he has been separated from that office for more than one year. The Civil Service Commission concurs in recommendation for this order.
