Executive Order

By virtue of the authority vested in me by Section 4072 of the Revised Statutes of the United States, as amended by the Act of Congress approved June 14, 1902, which provides that "the Secretary of State may grant and issue passports, and cause passports to be granted, issued, and verified in foreign countries by such diplomatic or consular officers of the United States, and by such chief or other executive officer of the insular possessions of the United States, and under such rules as the President shall designate and prescribe for and on behalf of the United States," I hereby prescribe the following amendment to the "Rules Governing the Granting and Issuing of Passports in the United States" issued June 13, 1920.

The second paragraph of Rule 5 (a) shall read as follows:

The affidavit must be made before a clerk of a federal court or of a state court authorized by the Act of Congress of June 29, 1906, to naturalize aliens, or before a court of Porto Rico referred to in Section 42 of the Act of March 2, 1917, "An Act to provide a civil government for Porto Rico, and for other purposes," within the jurisdiction of which the applicant or his witness resides, and the seal of the court must be affixed, unless there is in such place an agent of the Department of State, in which case the application must be made before such agent.
