Executive Order

CHELAN—OKANOGAN NATIONAL FORESTS
WASHINGTON

It is hereby ordered, under authority of the Act of Congress approved June 4, 1897 (30 Stat., 11 at 34, 36), and upon recommendation of the Secretary of Agriculture, that on and after July 1, 1921, the lands within the Chelan National Forest, Washington, as defined by Proclamation of March 2, 1916, which lie south and west of the hydrographic divide between the Entiat River and Lake Chelan or its tributaries, shall be transferred to and made a part of the Wenatchee National Forest, and all lands included within the boundaries of the Okanogan National Forest as fixed and defined by Proclamation of June 30, 1911, shall be transferred to the Chelan National Forest and administered as a part thereof on and after July 1, 1921.

39 Stat. 1747

37 Stat. 1701

It is intended by this order, for economy of administration, to merge into one National Forest to be known as the Chelan National Forest, all lands which are now within the Okanogan National Forest and all lands now within the Chelan National Forest which lie north and east of said hydrographic divide, and the boundaries of the Chelan National Forest shall on and after said date be modified accordingly.
