Executive Order

Inasmuch as the following named vessels of the Navy, to wit: U. S. S. AUK and U. S. S. OSPREY are needed for the use of the U. S. Coast and Geodetic Survey for surveying purposes; by virtue of authority vested in me by law, I hereby, in the public interest, make and establish the following order:

The following named vessels, viz:

U. S. S. AUK
U. S. S. OSPREY

are hereby transferred from the custody and control of the Navy Department to the permanent custody and control of the Department of Commerce, for use by the U. S. Coast and Geodetic Survey for surveying purposes, and the Secretary of the Navy is authorized to turn over said vessels to the Secretary of Commerce, said vessels to remain in the permanent custody and control of the Department of Commerce unless and until otherwise authorized and all expenses connected with the vessels after the transfer is made to be defrayed out of the Department of Commerce appropriations.
