Executive Order

W. 328.A

The Rules Governing the Granting and Issuing of Passports in the United States approved June 13, 1920, are hereby amended by adding as the third paragraph of Rule 5 (d) the following:

> A passport issued by the Secretary of State on or after January 3, 1918, to which is attached the photograph and signature of the person to whom the passport was originally issued, will be accepted in lieu of an identifying witness. The passport must be surrendered and accompany the application.
