By virture of the authority vested in me, the Executive Order of December 3, No. 3580 1921, prescribing the basis for making charges against employees of The Panama Canal and Panama Railroad on the Isthmus of Panama for rent, fuel, electric current, water, and services in connection with the use of quarters, on and after January 1, 1922, is hereby amended effective July 1, 1922, so as to authorize the Governor of The Panama Canal, with the approval of the Secretary of War, to prescribe a lower rate of charges for official and other quarters which officers and employees of The Panama Canal and Panama Railroad Company are required to occupy by reason of the office held or the duties performed by them, this to apply only in cases in which the rate of pay to the employee is substantially what it was in 1914.
