Executive Order

AUTHORIZING THE ALIEN PROPERTY CUSTODIAN TO SELL CERTAIN PROPERTY AT PRIVATE SALE

By virtue of the authority vested in me by an Act of Congress entitled "An act to define, regulate, and punish trading with the enemy and for other Purposes", approved October 6th, 1917, known as the "Trading with the Enemy Act", and the amendment to such act embodied in "An act making appropriations to supply urgent deficiencies in the appropriations for the fiscal year ending June 30, 1918, and prior fiscal years on account of war expenses and for other purposes", approved March 28, 1918, and the amendment to such Act embodied in "An act making appropriations to supply deficiencies in appropriations for the fiscal year ending June 30, 1919, and prior fiscal years on account of war expenses, and for other purposes", approved November 4, 1918, to make certain orders such as that herein contained, I hereby, in the public interest, make the following determination, order, rule and regulation:

The Alien Property Custodian is hereby authorized to sell at private sale, at such time and place as to him or to his authorized agent may seem advisable, without public or other advertisement, certain real estate now being held and administered by him as such Alien Property Custodian, and heretofore, upon requirement conveyed, transferred, assigned, and delivered to him as the property of MARIA HAU, formerly Maria Browning, of Sievern, Kreis Lehe, Germany, whom he did after investigation determine to be an enemy, within the purview of said Act as amended, which said real estate is described as follows, to-wit:

> That certain lot situated at the Northwest corner of Nineteenth and Mission Streets, in the City and County of San Francisco, State of California, being a lot of the dimensions of thirty-five (35) feet by eighty (80) feet, with a frontage of thirty-five (35) feet on Mission Street and a uniform depth of eighty (80) feet on Nineteenth Street.
>
> Also that certain lot situated at the Northeast corner of Nineteenth and Mission Streets, in the City and County of San Francisco, State of California, being a lot of the dimensions of thirty (30) feet by eighty (80) feet, with a frontage of thirty (30) feet on Mission Street and a uniform depth of eighty (80) feet on Nineteenth Street.

My reasons for the foregoing determination, order, rule and regulation are:

(a) The property is bringing a very small income and there is only a small amount of cash to the credit of the trust under which it is held.

(b) An advantageous offer for the purchase of said property has been received by the Alien Property Custodian.

(c) An attempted sale at public auction would be a useless formality and would involve unnecessary expenses, delay and inconvenience which should be avoided.
