EXECUTIVE ORDER

AUTHORIZING THE ALIEN PROPERTY CUSTODIAN TO SELL CERTAIN PROPERTY ON THE NEW YORK STOCK EXCHANGE.

By virtue of the authority vested in me by an Act of Congress entitled "An act to define, regulate, and punish trading with the enemy and for other purposes", approved October 6th, 1917, known as the "Trading with the Enemy Act", and the amendments to such act embodied in "an act making appropriations to supply urgent deficiencies in the appropriations for the fiscal year ending June 30th, 1918, and prior fiscal years on account of war expenses and for other purposes", approved March 28th, 1918, and the amendment to such act embodied in, "An act making appropriations to supply deficiencies in appropriations for the fiscal year ending June 30th, 1919, and prior fiscal years on account of war expenses and for other purposes", approved November 4th, 1918, and all other amendments thereto, tomake certain orders such as that herein contained, I hereby, in the public interest, make the following determination, order, rule and regulations

The Alien Property Custodian is hereby authorized to sell on the New York Stock Exchange, at such time as to him or to his authorized agent may seem advisable, without public or other advertisement, Two Thousand Six Hundred Twenty (2620) shares common stock of the Missouri, Kansas & Texas Railroad Company, a corporation organized under the laws of the State of Missouri, of no par value, which said shares were heretofore required to be conveyed, transferred, assigned and delivered to the Alien Property Custodian as the property of the Dresdner Bank of London, under the provisions of the "Trading with the Enemy Act".

4179-C

My reasons for the foregoing determination and order are:

First: That no dividends are paid upon the said stock and that the earnings of the corporation applicable to the common stock since its incorporation have been so small as to indicate that there is no reason to anticipate the payment of dividends in the near future.

Second: That the sale of the said stock and the investment of the proceeds in Liberty Bonds or Certificates of Indebtedness of the United States Government, would provide safe and fair income on the investment and would conserve the principal preventing possible depreciation by reason of a decline in the market price.

Third: That the sale of the said stock will result in the realization in tangible form of a great increase in principal by virtue of the appreciation of the market value of the stock since the time of its issue and since its seizure by the Alien Property Custodian.

Fourth: That a public or other advertisement of the sale of the said stock or attempted sale at auction would be a useless formality involving unnecessary expense and inconvenience, and would cause such a delay as to imperil the realization of a price equal to that now prevailing on the open market.
