Executive Order

By virtue of the authority vested in me as President of the United States of America, and pursuant to the provisions of Section 9 of the Act of Congress approved on June 7, 1924, entitled, "An Act To provide for the protection of forest lands, for the reforestation of denuded areas, for the extension of national forests, and for other purposes, in order to promote the continuous production of timber on lands chiefly suitable therefor," the following described lands which comprise a part of the Fort Humphreys Military Reservation in the State of Virginia, and which, in the opinion of the Secretary of War and the Secretary of Agriculture, are suitable for the production of timber, hereby are established as a National Forest, to wit:

All of that part of the Fort Humphreys Military Reservation as shown upon the map hereto attached and made a part hereof, excluding the Belvoir Road from its junction with the Washington-Richmond Highway southward to the North Boundary of that portion of the Fort Humphreys Military Reservation retained under the exclusive jurisdiction of the War Department.

The National Forest hereby created shall be known as the Humphreys National Forest.

The said Humphreys National Forest shall be administered by the Secretary of Agriculture under such rules and regulations and in accordance with such general plans as may be jointly approved by the Secretary of Agriculture and the Secretary of War, for the use, occupation and protection of such lands and for the sale of products therefrom.

The lands comprising the said Humphreys National Forest shall remain subject to the unhampered use of the War Department for purposes of national defense and nothing in this order shall be construed to affect or restrict the authority over such land for purposes of national defense now vested in the Secretary of War.

The articles of war and all other laws, rules and regulations applicable to the military establishment continue in full force and effect at all times and under all conditions upon all lands included in the Humphreys National Forest hereby created except insofar as they are inconsistent with Section 9 of said Act of June 7, 1924.

CALVIN COOLIDGE

THE WHITE HOUSE,
April 10, 1925.
