Executive Order

Mrs. Stella Davis Mudd may be reinstated as telephone switchboard operator in the Naval Powder Factory at Indian Head, Maryland, without regard to the length of her separation from the service.

Mrs. Mudd's husband was formerly an employee of the Naval Powder Factory at Indian Head and his sudden death, while not incurred in the line of duty, left her a widow with four minor children to support.

This order is issued upon recommendation of the Secretary of the Navy in lieu of an Executive Order of November 3, 1925, which was not utilized, authorizing the reinstatement of Mrs. Mudd as an operative in the Bureau of Engraving and Printing. NS. 4332

The Civil Service Commission is unable to concur in the recommendation.

Done for charity.
