Executive Order

Mrs. Dorothy Thelma Bishop, widow of Walter C. Bishop, first class radio man, United States Navy, who lost his life in the line of duty in the recent Submarine disaster to the S-4, may be appointed to an appropriate position in the Veterans' Bureau without regard to the examination requirements of the civil service rules.

As the Civil Service Commission can properly recommend waivers only when the procedure under the rules will not fully meet the needs of the service, it is unable to concur in the recommendation of the Director of the Veterans' Bureau for the issuance of this order.

For charity.
