Executive Order

The time limit on reinstatement under the civil service rules is hereby waived to permit the reinstatement of Mrs. Alice C. Murphy to a position in the Treasury Department for which she has the requisite civil service examination status.

Mrs. Murphy served in the Bureau of Engraving and Printing from May 28, 1917, to February 28, 1921, as a printer's assistant. Her husband served in that Bureau for approximately 28 years. His death on February 8, 1928, left her with four young children to support.

This order is recommended by the Secretary of the Treasury. The Civil Service Commission can not certify that the interests of the service demand a waiver of the rules to permit her reinstatement, but submits the case without prejudice.

For charity.
