Executive Order

Mr. Stephen H. Hastings may be reinstated as senior agronomist, Department of Agriculture, Bureau of Plant Industry, without regard to the time limit on reinstatement under the civil service rules.

Mr. Hastings was employed as agent and farm superintendent, Department of Agriculture, from November 22, 1906, to March 15, 1920. After resigning from the service of the Department of Agriculture he operated about 30,000 acres of land in the Salt River Valley in the capacity of Ranch Manager for the Southwest Cotton Company at Phoenix, Arizona.

The Secretary of Agriculture recommends this order in view of Mr. Hastings' background of training and experimental work with the Department, his experience with the Southwest Cotton Company, his intimate knowledge of the work, and the confidence reposed in him by the Department. The Civil Service Commission concurs.
