TITLE 41—PUBLIC CONTRACTS

Chapter II—Division of Public Contracts, Department of Labor

PART 201—GENERAL REGULATIONS

REGULAR DEALER IN TEA UNDER THE PUBLIC CONTRACTS ACT

Section 201.101 of this part contains a definition of regular dealer in terms of one who "owns, operates, or maintains a store, warehouse or other establishment in which the materials, supplies, articles or equipment of the general character described by the specifications and required under the contract are bought, kept in stock, and sold to the public in the usual course of business." In addition to this general definition of regular dealer, a number of special types of regular dealers are also defined in this section.

After considering the general method of operation of tea importers I find that it is desirable, in the interest of the Government, that a special definition be adopted in order that such tea importers may qualify as regular dealers within the meaning of § 201.101.

Accordingly, notice is hereby given, pursuant to authority vested in me by the Walsh-Healey Public Contracts Act, as amended (49 Stat. 2038; 41 U. S. C. 38), that § 201.101 (b) is hereby amended by adding thereto a new subparagraph (9), to read as follows:

§ 201.101. *Manufacturer or regular dealer.* * * *

(b) * * *

(9) A regular dealer in tea may be an importer who owns, operates, or maintains a store, warehouse, or other place of business in which materials, supplies, articles or equipment of the general character described by the specifications and required under the contract are bought for the account of such person and sold to the public in the usual course of business.

(49 Stat. 2038, as amended; 41 U. S. C. 38)

I further find that because this amendment deals primarily with the determination of qualifications of bidders on Government contracts, and is in effect a relaxation of existing requirements, compliance with the notice and public procedure requirements of section 4 of the Administrative Procedure Act (60 Stat. 237; 5 U. S. C. 1001) is unnecessary and would serve no proper purpose.

This amendment shall become effective upon publication in the FEDERAL REGISTER.

Signed at Washington, D. C., this 15th day of April 1953.

MARTIN P. DURKIN,
Secretary of Labor.

TWISTED JUTE PACKING, SINGLE STRAND PACKING, AND PLUMBERS' OAKUM

PROSPECTIVE TARIFF CLASSIFICATION

Consideration will be given to any relevant data, views, or arguments pertaining to the correct tariff classification of this merchandise which are submitted in writing to the Bureau of Customs, Washington 25, D. C. To assure consideration, such communications must be received in the Bureau not later than 30 days from the date of publication of this notice. No hearings will be held.
