Sec. 31.

The areas described, including the public, nonpublic, and national forest lands in the Santa Fe National Forest, total in the aggregate approximately 9,185 acres, of which about 5,078 acres are public lands. The public lands are in part withdrawn for other purposes.

2. The lands are situated in Sandoval County, New Mexico. Soils vary from shallow and rocky to deep sandy and silty loams. Vegetative cover consists of pine, pinon, juniper and brush in the higher elevations, with galleta and grama grasses, salt cedar and rabbitbrush in the lower.

3. Until 10:00 a.m. on October 28, 1963, the State of New Mexico shall have (1) a preferred right of application to select the lands in accordance with subsection (c) of section 2 of the Act of August 27, 1958 (72 Stat. 928; 43 U.S.C. 851, 852), and (2) a preferred right to apply for the reservation to the State or to any of its political subdivisions, under any statute or regulation applicable thereto, of any of the lands required for a right-of-way for a public highway or as a source of materials for the construction and maintenance of such highways, in accordance with the provisions of section 24 of the Federal Power Act, supra.

4. This order shall not otherwise be effective to change the status of the public lands until 10:00 a.m. on October 28, 1963. At that time, they shall be open to the operation of the public land laws generally, subject to valid existing rights and equitable claims, the requirements of applicable law, and the provisions of any existing withdrawals, the national forest lands being open at that time to such forms of disposition as may by law be made of national forest lands. All valid applications received at or prior to 10:00 a.m. on June 4, 1963, other than from the State of New Mexico, shall be considered as simultaneously filed at that time.

5. Of the lands described in this order 962.82 acres are Indian trust lands of the Pueblos of Zia and Santa Ana pursuant to the Act of September 14, 1961 (75 Stat. 500). The opening provisions of this order do not apply to these lands.

Inquiries concerning the lands should be addressed to the Manager, Land Office, Bureau of Land Management, Santa Fe, New Mexico.

JOHN A. CARVER, Jr.,
Assistant Secretary of the Interior.

APRIL 29, 1963.

[Public Land Order 3055]

[Oregon 010321]

OREGON

Revoking Executive Orders No. 7270 of January 7, 1936, and No. 7441 of August 29, 1936

By virtue of the authority vested in the President by section 1 of the act of June 25, 1910 (36 Stat. 847; 43 U.S.C. 141), and pursuant to Executive Order No. 10355 of May 26, 1952, it is ordered as follows:

1. Executive Order No. 7270 of January 7, 1936, and Executive Order No. 7441 of August 29, 1936, so far as they withdrew the following described lands for use of the Forest Service, Department of Agriculture, in connection with the administration of the Siskiyou National Forest, are hereby revoked:

WILLAMETTE MERIDIAN

EXECUTIVE ORDER NO. 7270

T. 35 S., R. 14 W.,
Sec. 14, lot 9.

EXECUTIVE ORDER NO. 7441

T. 34 S., R. 14 W.,
Sec. 3, W½SW¼NE¼ and E½SE¼NW¼.
T. 39 S., R. 13 W.,
Sec. 10, S½S½NE¼SE¼ and SE¼SE¼.

The areas described aggregate 129.42 acres.

2. The lands are hereby restored to the operation of the public land laws, effective at 10:00 a.m. on June 4, 1963, subject to valid existing rights, the requirements of applicable law, and the provisions of existing withdrawals. Applications received at or prior to 10:00 a.m. on June 4, 1963, shall be considered as simultaneously filed at that time. Those thereafter received shall be considered in the order of filing. The State of Oregon has waived its preference right of application provided by subsection (c) of section 2 of the act of August 27, 1958 (72 Stat. 928; 43 U.S.C. 851, 852).

3. The lands are included in withdrawal application, Oregon 012693, filed by the Bureau of Land Management for management of the lands for multiple use, including sustained yield timber production. In accordance with the regulations in 43 CFR 295.11a, the lands are segregated from disposals under the public land laws to the extent that the withdrawal applied for, if effected, would prevent such forms of disposal. Applications shall be suspended as provided by the regulations.

4. Executive Orders No. 7270 and No. 7441 also revoked Executive Order No. 6910 of November 26, 1934, as to the lands. It is the intent of this order that the withdrawal made by Executive Order No. 6910 (one of the two general orders of withdrawal) shall re-attach to the lands described by Executive Orders No. 7270 and No. 7441 effective upon the date of this order.

JOHN A. CARVER, Jr.,
Assistant Secretary of the Interior.

[Public Land Order 3056]

[Washington 04746]

WASHINGTON

Revoking Executive Order of April 25, 1876; Partly Revoking Executive Order of July 15, 1875

By virtue of the authority vested in the President, and pursuant to Executive Order No. 10355 of May 26, 1952, it is ordered as follows:

1. The Executive orders of July 15, 1875, and April 25, 1876, which withdrew lands on Blakely Island, Washington, for lighthouse purposes, are hereby revoked so far as they affect the following described lands:

WILLAMETTE MERIDIAN

T. 35 N., R. 1 W.,
Sec. 2, lots 1, 2, and 4.
T. 36 N., R. 1 W.,
Sec. 35, lots 3, 4, and SE¼SW¼.

The areas described aggregate 225.45 acres.

2. Until 10:00 a.m. on October 28, 1963, the State of Washington shall have a preferred right of application to select the lands as provided by subsection (c) of section 2 of the act of August 27, 1958 (72 Stat. 928; 43 U.S.C. 851, 852). On and after that date and hour the lands shall become subject to application, petition, location and selection generally, subject to valid existing rights, the provisions of existing withdrawals, and the requirements of applicable law. All valid applications, except preference right applications from the State, received prior to 10:00 a.m. on June 4, 1963, shall be considered as simultaneously filed at that time.

3. The lands have been open to applications and offers under the mineral leasing laws. They will be open to location under the United States mining laws beginning at 10:00 a.m. on October 28, 1963.
