RAILROADS TO UNLOAD BOX CARS

At a session of the Interstate Commerce Commission, Division 3, held at its office in Washington, D. C., on the 29th day of December, A. D. 1945.

It appearing, that box cars containing freight are being held by railroads an unreasonable length of time and that the delay in unloading such cars is aggravating a shortage thereof, thus impeding their use, control, supply, movement and distribution; in the opinion of the Commission an emergency requiring immediate action exists at all points where it is the railroads' duty, responsibility or obligation to unload box cars; *It is ordered*, That:

(a) Every common carrier by railroad subject to the Interstate Commerce Act at all points, including ports, where said carrier has the duty, responsibility or obligation to unload freight, shall unload forthwith all such freight in its possession, held in box cars, ten days from date of arrival of the said box cars at those points, including ports.

(b) *Application.* (1) This order shall apply to intrastate and interstate traffic as well as foreign commerce.

(2) The number of days any box car is held five days or less prior to the effective date hereof shall be counted in determining the ten-day period provided in paragraph (a).

(3) Box cars loaded with freight held under load more than five days on the effective date hereof may be held until January 10, 1946, before unloading.

(4) This order shall apply to box cars containing freight which the railroad holds short of points described in paragraph (a) and the ten-day period shall commence after arrival at such hold points.

(5) This order shall apply to box cars having a mechanical designation in the current official Railway Equipment Register prefixed by "X" or "V".

(c) *Special and general permits.* The provision of this order shall be subject

to any special or general permits issued by the Director of the Bureau of Service, Interstate Commerce Commission, Washington, D. C.

(d) *Effective date.* This order shall become effective at 12:01 a. m., January 5, 1946.

(e) *Expiration date.* This order shall expire at 11:59 p. m., March 15, 1946, unless otherwise modified, changed, suspended, or annulled by order of the Commission. (40 Stat. 101, sec. 402, 41 Stat. 476, sec. 4, 54 Stat. 901; 49 U.S.C. 1 (10)–(17))

It is further ordered, That a copy of this order and direction shall be served upon each state railroad regulatory body and upon the Association of American Railroads, Car Service Division, as agent of the railroads subscribing to the car service and per diem agreement under the terms of that agreement; and that notice of this order be given to the general public by depositing a copy in the office of the Secretary of the Commission at Washington, D. C., and by filing it with the Director, Division of the Federal Register.

Benefits provided for in section 507, Revenue Act of 1943, terminated as a result of revocation of War Production Board Limitation Order L–240.

The specifications for standard newsprint paper, which is free of duty under paragraph 1772, Tariff Act of 1930, were enlarged by section 507, Revenue Act of 1943, T. War Production Board Order L–240, which provided for a limitation such as is mentioned in the statute, is being revoked effective January 1, 1946, by the Civilian Production Administration under the date of December 27, 1945.

As a result of the revocation mentioned, newsprint paper entered, or withdrawn from warehouse, for consumption after December 31, 1945, will not be entitled to the benefits of section 507, and, to be free of duty under paragraph 1772 of the tariff act, it must meet the specifications formerly in effect. Please be governed accordingly.
