ported by the supplemental air carrier or large irregular air carrier; or

(iv) The charter or lease of aircraft.

(4) *Publicity material on supplemental air carrier and large irregular air carrier operations.* Each advertisement, circular, pamphlet, brochure, or other publicity material and each announcement or notice issued by a supplemental carrier or large irregular carrier during the preceding period and pertaining to any of its air transportation services for passengers, and information with respect to each such item showing, if published in a newspaper, magazine or other advertising medium, the place and date or dates of issue, and the name of the publication, or if distributed otherwise, (such as through circulars, bulletins, pamphlets, or brochures), the dates, manner and extent of distribution.

(5) *Tickets.* True and complete copies of each type of tickets sold for the transportation of persons by air.

(b) Data reported pursuant to paragraphs (a) (1) and (a) (2) of this section shall be available for official use on behalf of the Civil Aeronautics Board, but shall otherwise be withheld from public disclosure except as disclosure may be necessary in carrying out responsibilities under section 412 of the act.

Effective date. This part shall become effective October 1, 1956.

NOTE: The record keeping and reporting requirements of this amendment have been coordinated with the Bureau of the Budget in accordance with the Federal Reports Act of 1942.

By the Civil Aeronautics Board.

Sec. 34;
Sec. 35, W½NE¼, NW¼, N½SW¼, and NW¼SE¼;
Sec. 36, lots 1, 2, 3, and 4.

The areas described aggregate 4,470.67 acres.

3. Approximately 16,040 acres of the released lands are within the Saint Joe National Forest and shall be opened, subject to any valid existing rights, the provisions of existing withdrawals, and the requirements of applicable law, to such applications, selections, and locations as are permitted on national forest lands effective at 10:00 a. m. on September 29, 1956.

4. The restored lands are located in the general locality of Saint Maries, Idaho. They are mainly of rough and mountainous topography and are valuable for timber production.

5. No application for the restored lands may be allowed under the homestead, desert-land, small tract, or any other nonmineral public-land law unless the lands have already been classified as valuable or suitable for such type of application, or shall be so classified upon the consideration of an application. Any application that is filed will be considered on its merits. The lands will not be subject to occupancy or disposition until they have been classified.

6. Subject to any valid existing rights and the requirements of applicable law, the restored lands are hereby opened to filing of applications, selections, and locations in accordance with the following:

a. Applications and selections under the nonmineral public-land laws may be presented to the Manager mentioned below, beginning on the date of this order. Such applications and selections will be considered as filed on the hour and respective dates shown for the various classes enumerated in the following paragraphs:

(1) Applications by persons having prior existing valid settlement rights, preference rights conferred by existing laws, or equitable claims subject to allowance and confirmation will be adjudicated on the facts presented in support of each claim or right. All applications presented by persons other than those referred to in this paragraph will be subject to the applications and claims mentioned in this paragraph.

(2) All valid applications under the Homestead, Desert Land, and Small Tract Laws by qualified veterans of World War II or of the Korean Conflict, and by others entitled to preference rights under the act of September 27, 1944 (58 Stat. 747; 43 U. S. C. 279–284 as amended), presented prior to 10:00 a. m. on September 29, 1956 will be considered as simultaneously filed at that hour. Rights under such preference right applications filed after that hour and before 10:00 a. m. on December 29, 1956, will be governed by the time of filing.

(3) All valid applications and selections under the nonmineral public-land laws, other than those coming under paragraphs (1) and (2) above, presented prior to 10:00 a. m. on December 29, 1956 will be considered as simultaneously filed at that hour. Rights under such applications and selections filed after that hour will be governed by the time of filing.

b. The lands have been open to applications and offers under the mineral-leasing laws and to location for metalliferous minerals. They will be open to location for non-metalliferous minerals under the United States mining laws beginning at 10:00 a. m. on December 29, 1956.

7. Persons claiming veterans preference rights must enclose with their applications proper evidence of military or naval service, preferably a complete photostatic copy of the certificate of honorable discharge. Persons claiming preference rights based upon valid settlement, statutory preference, or equitable claims must enclose properly corroborated statements in support of their claims. Detailed rules and regulations governing applications which may be filed pursuant to this notice can be found in Title 43 of the Code of Federal Regulations.

Inquiries concerning the lands shall be addressed to the Manager, Land Office, Bureau of Land Management, Boise, Idaho.

FRED G. AANDAHL,
Acting Secretary of the Interior.

[Misc. 68155]

OREGON

POWER SITE RESTORATION NO. 516; PARTIALLY REVOKING THE EXECUTIVE ORDER OF JULY 2, 1910, SO FAR AS IT CREATED POWER SITE RESERVE NO. 126

By virtue of the authority contained in section 1 of the act of June 25, 1910, c. 421 (36 Stat. 847; 43 U. S. C. 141), and pursuant to Executive Order No. 10355 of May 26, 1952, it is ordered as follows:

The Executive order of July 2, 1910, so far as it withdrew the following-described lands as Power Site Reserve No. 126, is hereby revoked:

WILLAMETTE MERIDIAN

T. 14 S., R. 42 E.,
Sec. 19, S½N½;
Sec. 20, S½N½, S½;
Sec. 21, N½SW¼;
Sec. 28, NE¼, NE¼NW¼, NE¼SE¼;
Sec. 34, E½, E½W½.
T. 15 S., R. 42 E.,
Sec. 2, W½NW¼, SE¼NW¼, SW¼.

The areas described aggregate 1,720 acres.

The lands are grazing lands located in the northeast corner of Malheur County, Oregon, within the boundaries of Oregon Grazing District No. 3. They lie from 3 to 8 miles northwest of Brogan, Oregon, which is on U. S. Highway No. 28, twenty-four miles northwest of Vale, Oregon, the County Seat of Malheur County. Willow Creek flows through part of the lands, and a road along this creek runs through or near all the lands. They are at an average elevation of 3,000 feet and are rolling to rough. The soil is generally sandy clay, quite often intermingled with rock and gravel. The annual precipitation is ten inches, most of which falls during the nongrowing season. The vegetative cover consists of cheat grass, sage brush, some browse, and weeds.

No application for the lands may be allowed under the homestead, desert-land, small tract, or any other nonmineral public-land law unless the lands have already been classified as valuable or suitable for such type of application, or shall be so classified upon the consideration of an application. Any application that is filed will be considered on its merits. The lands will not be subject to occupancy or disposition until they have been classified.
